**DAILY SNACK TIME IS A TIME TO FOCUS ON OUR HEALTH CURRICULUM:**

Students need nutritious snacks (Ex: **chopped** fruit and vegetables, yogurt, whole wheat crackers, unprocessed cheese, etc.). Please avoid sweets (Ex: sweet cookies/cakes, icing dips, bars, candy, chips, cheesies, etc.). Also, children are encouraged to drink water. Please include a re-usable drinking container that can be filled at home or that students can fill at school. They like doing this.
